

**...THE MISSION FOR AMERICANS WHO CARE...
WE BELIEVE THAT FAMILY COMES FIRST, AND HAVING A WELL-MAINTAINED HOME
IN A NEIGHBORHOOD WE FEEL SECURE LIVING IN IS OUR NUMBER ONE PRIORITY**

THE PROBLEM.....CONTRACTOR FRAUD.....MORE PEOPLE ARE ROBBED AT PENPOINT IN THEIR HOMES BY DISHONEST AND INCOMPETENT SHOP-IN-HOME COMPANIES THAN AT GUNPOINT BY MUGGERS. THE SOLUTION.....DISCLOSURE AS A LICENSING REQUIREMENT FOR RESIDENTIAL CONTRACTORS
Disclosure requires that salespeople who solicit in the home provide honest, factual documented information. This will send a message to those businesses who provide in-home services to pay attention to detail to deliver what you promise and to service what you sell, reducing complaints made by citizens against contractors. Consumers look for value along with quality, and most consumers are willing to pay the fair price as long as expectations are met. Disclosure brings fairness to the marketplace for businesses with integrity and provides them with the ability to thrive.

DISCLOSURE ENDORSES ETHICAL BUSINESS PRACTICES FOR ALL AMERICANS WHO CARE

Question

**DISCLOSURE BENEFITS THE CONSUMER AND SHOP-IN-HOME COMPANIES WITH INTEGRITY,
BUT WHAT WILL BE THE OVERALL BENEFIT THAT IT BRINGS TO THE MARKETPLACE?**

Answer

...CONSUMER CONFIDENCE...Capitalism works at its finest when there is consumer confidence, because consumer confidence brings consumer spending. And this willingness to spend money for home improvements will help in the development of neighborhoods that might not have been developed in the past. And this will have a positive effect on every neighborhood in Philadelphia and the United States. Americans Who Care about their community need to ask themselves before they go into the voting booth, **WHAT ARE ELECTED OFFICIALS GOING TO DO** for me in my home, on my block, and in my neighborhood to improve the quality of life for my family.....**RIGHT NOW!..... THIS IS A SPECIFIC HARDBALL QUESTION FOR ALL ELECTED OFFICIALS...."DO YOU SUPPORT DISCLOSURE FOR THE PUBLIC?"**Americans Who Care believe the only answer our elected officials can say is "I ENDORSE DISCLOSURE FOR THE PUBLIC." It is not politically correct for any elected officials to be on the record as saying

"I AM OPPOSED TO DISCLOSURE FOR THE PUBLIC"

DISCLOSURE IS THE INTEGRITY TEST FOR OUR ELECTED OFFICIALS

Every year we hear how crime has either gone up or down in America, and we know a lot of money is lost on violent crimes by criminals who break into our homes. But homeowners lose more money dollar for dollar from the crimes that some dishonest and incompetent contractors do on a daily basis. Let's put our elected officials on notice, there is a simple solution. It's a one, two, three. The Integrity Test for shop-at-home companies. Do your elected officials really care about your neighborhood?

....Send In Your Story About

Contractor Fraud.....Everyone Has A Story To Tell....

[Email Info@Americanswhocare.com](mailto:EmailInfo@Americanswhocare.com)

The [www.Mandate websites](http://www.MandateWebsites.com) were established to collect all pertinent stories from homeowners as well as the news media, print, television, radio on dealings with unscrupulous contractors, with the ultimate goal of substantiating the necessity for disclosure to become a licensing requirement for residential contractors. Consumers will have the ability to post their stories and dealings with incompetent dishonest contractors.

Americans Who Care....A network supporting the concept of disclosure as a licensing requirement for all contractors and shop-in-home companies. There is a simple solution for contractor fraud....
